

# Investing for Success

**Under this agreement for 2022  
Leichhardt State School will receive**

**\$254,692\***

## This funding will be used to

- Improve student outcomes through full implementation of the Australian Curriculum, focus on staff capability development and support mechanisms; and
- Improve English A-C achievement data across the school.

School Year	Sem 2 2021	Sem 1 2022	Sem 2 2022
C and above data	75.3%	Target: 77%	Target: 80%
N rating	6.8%	Target: 3%	Target: 1%
English A - C	69.1%	Target: 73%	Target: 80%

## Our initiatives include

- Improving students' English academic results across the school by developing staff capability in teaching and learning of English;
- Enhancing school culture and values through Positive Behaviour for Learning philosophy; and
- Developing a Whole School Approach to Pedagogy Framework for Leichhardt State School based on research and evidence of best practice.

## Our school will improve student outcomes by

Fully implementing the Australian Curriculum; i.e. teacher release time	\$21,000.00
Allocating additional funds to support leadership of key school priorities	\$52,076.00
Funding support staff to better respond to complex student needs; i.e. AO4 positions: Indigenous Community Coordinator and Community Support Coordinator	\$181,616.00
